

# Lost Dreams Are Awakened and New Possibilities Arise

## Why Register Early?

We believe that once participants understand that the money generated from early registration is what makes a convention possible, as well as carrying the message to the addict who still suffers, the question "Why Register Early?", will be answered.

Early registrations provide funds to prepay expenses for hotel, speaker travel & hotel accommodations, printing of fliers & programs, items in the registration packets, entertainment and other advanced fees.

The MACNA Convention Planning Panel would like to thank you in advance for your support!
